EXPERIENCE

LITET

Technical Product & Analytics Lead | 2023 - Present

- Built centralized inventory visibility platform integrating local warehouses, Amazon FBA, AWD, and five distributors to unify multi-channel fulfillment and reduce inventory inconsistencies.
- Built a multi-warehouse inventory forecasting platform using Python to convert bundle sales into unit demand, improving inventory rotation from 1x to 4x and enabling proactive replenishment planning.
- Built lightweight internal operational platform replacing ERP to scale inventory and fulfillment workflows, supporting SKU growth from 9 to 15 and standardizing processes without ERP investment.

EMERSON ELECTRIC

Product Manager — Analytics & API Platforms | December 2016 - February 2022

- Defined MVP roadmap prioritizing summary telemetry analytics covering 80% of enterprise needs, reducing custom solutions to 1% and improving platform scalability and development efficiency.
- Orchestrated cross-functional roadmap prioritization with executives, engineers, and customers to align analytics and API platform development with enterprise needs and scalability goals.
- Increased enterprise API adoption 35% by prioritizing customer-driven enhancements and simplifying onboarding for IoT telemetry analytics platform integrations at Emerson Electric.

CHAMBERLAIN GROUP

Software Product Manager | June 2022 - October 2023

- Coordinated cross-functional teams across software, firmware, hardware, UX, and analytics to align feature planning and delivery for the MyQ IoT platform, enabling expanded device integrations and improved product execution.
- Owned and prioritized the MyQ Community platform roadmap, coordinating frontend, backend, and QA teams to improve sprint delivery and backlog efficiency using Agile and RICE methodology.
- Built executive dashboards tracking adoption and engagement for 100+ IoT communities and 600+ users, enabling VP-level roadmap prioritization and KPI-driven product analysis.

LUGO HERMANOS

Branch Manager & Product Manager (Linear Motion) | January 2011 - January 2014

- Secured exclusive THK distribution rights for Colombia by leading vendor negotiations, technical training, and inventory planning, establishing a 15+ year strategic partnership and expanding market positioning.
- Built and scaled a 12-person industrial sales branch, achieving \$500K revenue and 15% above target profitability within 12 months by managing operations, warehouse, and team workflows.
- Managed 1000+ SKU industrial motion product portfolio, owning pricing, two-month forecasting cycles, supplier coordination, and technical support to improve availability and support automation growth.
